BAB I PENDAHULUAN .......................................................................................... 1
A. Latar Belakang ........................................................................................................ 1
B. Rumusan Masalah .................................................................................................. 9
C. Tujuan Penelitian .................................................................................................. 10
D. Manfaat Penelitian ............................................................................................... 10

BAB II TINJAUAN PUSTAKA ................................................................................ 11
A. Landasan Teori ....................................................................................................... 11
   1. Minat Beli Ulang ............................................................................................... 11
   2. Word of Mouth ................................................................................................... 15
   3. Daya Tarik Iklan ............................................................................................... 19
   4. Persepsi Harga .................................................................................................. 21
   5. Kualitas Produk .................................................................................................. 25
B. Penelitian Terdahulu ............................................................................................. 28
C. Kerangka Pemikiran ............................................................................................ 31
D. Hipotesis ................................................................................................................ 31
BAB III METODE PENELITIAN ...................................................... 36
A. Rancangan Penelitian .................................................................. 36
B. Obyek Penelitian ......................................................................... 36
C. Populasi ........................................................................................ 36
D. Sampel dan Teknik Sampling .......................................................... 37
   1. Sampel ......................................................................................... 37
   2. Teknik Sampling ......................................................................... 37
E. Jenis Data Penelitian ..................................................................... 38
F. Prosedur Pengambilan Data .............................................................. 38
G. Klasifikasi Variabel Penelitian ......................................................... 39
   1. Variabel Dependen ....................................................................... 39
   2. Variabel Independen .................................................................... 39
H. Definisi Variabel Operasional .......................................................... 39
I. Uji Instrumen .................................................................................. 42
   1. Uji Validitas ............................................................................... 42
   2. Uji Realibilitas ............................................................................ 43
J. Analisis Regresi Berganda ................................................................. 44
K. Uji Hipotesis .................................................................................. 45
   1. Uji Statistik t .............................................................................. 45
   2. Uji Statistik F ............................................................................ 46
   3. Uji Koefisien Determinasi ($R^2$) .............................................. 47

BAB IV HASIL PENELITIAN DAN PEMBAHASAN ................. 48
A. Karakteristik Responden ................................................................. 48
   1. Karakteristik Responden Berdasarkan Jenis Kelamin .................. 48
   2. Karakteristik Responden Berdasarkan Usia ............................... 49
   3. Karakteristik Responden Berdasarkan Pendapatan .................. 50
B. Deskripsi Data Variabel Penelitian .................................................. 50
   1. Variabel Word of Mouth ($X_1$) .................................................. 50
   2. Variabel Daya Tarik Iklan ($X_2$) ................................................. 51
   3. Variabel Persepsi Harga ($X_3$) .................................................... 52
4. Variabel Kualitas Produk (X₄) ................................................................. 53
5. Variabel Minat Beli Ulang (Y) ................................................................. 54
C. Hasil Analisis Regresi Linear Berganda ........................................... 55
D. Pengujian Hipotesis ............................................................................. 58  
  1. Hasil Uji Parsial (Uji t) ........................................................................ 58  
  2. Hasil Uji F ............................................................................................. 59  
  3. Koefisien Determinasi ($R^2$) ............................................................ 59  
E. Pembahasan .......................................................................................... 60

BAB V PENUTUP ......................................................................................... 65
A. Kesimpulan .......................................................................................... 65
B. Saran ...................................................................................................... 65
