Abstract

The article discuss about the insidence in Laut Timor and urge the need to deal with maritime security in a well care manner. As a maritime country it is a compulsory for the government to mitigate border conflict with regards to the exclusive economic zone which pregnant with economic and political issues. In case of Laut Timor, it is necessary that to negotiate the demarcate the border according to The 1982 United Nations Convention on the Law of the Sea/ UNCLOS by engaging Australia and Timor Leste.

Keywords: Laut Timor, maritime, exclusive economic zone, 1982 UNCLOS
