Abstract

This writing uses the method of data collecting from any sources, but is specified into the measure of time 2008 until today, to signify the development of governance, especially in poverty alleviation, in Bojonegoro under the leadership of Bojonegoro regent, Suyoto. According to the analysis of this writing, it can be concluded that the governance in Bojonegoro develops from time to time under the leadership of Bojonegoro regent, Suyoto. He succeeded to control Bojonegoro by applying democratic system toward all of Bojonegoro's citizens' level. The aim of this writing is as the role of good even best governance for every region in Indonesia, so that they can imitate the leadership of Bojonegoro regent, Suyoto, in the effort of poverty alleviation.

Keywords: Bojonegoro, governance, democratic system, pro-poor system, welfare, poverty alleviation.
