DAFTAR LAMPIRAN .................................................................................................................... xii

BAB I PENDAHULUAN ............................................................................................................. 1
A. Latar Belakang ...................................................................................................................... 1
B. Identifikasi Masalah ............................................................................................................. 6
C. Tujuan Masalah ................................................................................................................... 6
D. Kegunaan Penelitian ........................................................................................................... 6
E. Landasan teori ..................................................................................................................... 7
1. Citra (Image) ....................................................................................................................... 7
2. Kepuasan Konsumen ........................................................................................................... 9
3. Loyalitas Konsumen ........................................................................................................... 14
F. Penelitian Terdahulu ........................................................................................................... 17
G. Kerangka Pemikiran ......................................................................................................... 18
H. Hipotesis ............................................................................................................................ 20
I. Pembatasan Penelitian ....................................................................................................... 20
J. Definisi Operasional dan Pengukuran Variabel ................................................................. 21
K. Metode Penelitian ............................................................................................................. 23
1. Metode Dasar Penelitian .................................................................................................... 23
2. Metode Pelaksanaan Penelitian ....................................................................................... 23
3. Metode Pengambilan Responden ..................................................................................... 24
4. Jenis Data dan Sumber Data ............................................................................................. 25
5. Teknik Pengumpulan Data ............................................................................................... 26
L. Teknik Pengujian Instrumen Penelitian ........................................................................... 26
1. Uji Validitas ......................................................................................................................... 26
2. Uji Reliabilitas ................................................................................................................... 28
M. Teknik Analisis dan Pengujian Hipotesis .................................................. 29
  2. Tingkat Citra Merek dan Kepuasan Pelanggan Terhadap Loyalitas Pelanggan Rumah Makan Sari Roso Mulyo “Tengklen Gajah”...... 32

BAB II GAMBARAN UMUM RUMAH MAKAN SARI ROSO MULYO 33
A. Sejarah Perusahaan .................................................................................. 33
B. Menu Tengklen Gajah ............................................................................. 35
C. Cara Membuat Tengklen Gajah .............................................................. 37

BAB III HASIL PENELITIAN .................................................................... 39
A. Karakteristik Responden ........................................................................... 39
  1. Karakteristik Responden Berdasarkan Usia....................................... 39
  2. Karakteristik Responden Berdasarkan Pekerjaan .............................. 40
B. Hasil penelitian ........................................................................................ 40
  1. Citra Merek ....................................................................................... 40
  2. Kepuasan Pelanggan ......................................................................... 42
  3. Loyalitas Pelanggan .......................................................................... 44
  4. Pengaruh Citra Merek dan Kepuasan Pelanggan Terhadap Loyalitas 45
  5. Tingkat Citra Merek dan Kepuasan Pelanggan Terhadap Loyalitas Pelanggan Rumah Makan Sari Roso Mulyo “Tengklen Gajah”...... 48

BAB III PEMBAHASAN .............................................................................. 52

BAB IV KESIMPULAN DAN SARAN........................................................ 62
A. Kesimpulan ............................................................................................... 62
B. Saran.......................................................................................................... 62
