

ABSTRAK

Penelitian ini bertujuan membuktikan secara empiris bahwa (1) *Dividend Per Share* (DPS) tidak berpengaruh, *Earning Per Share* (EPS) berpengaruh, dan *Leverage* berpengaruh secara parsial terhadap harga saham pada perusahaan Pertambangan di Bursa Efek Indonesia, dan (2) *Dividend Per Share* (DPS), *Earning Per Share* (EPS), dan *Leverage* berpengaruh secara simultan terhadap harga saham pada perusahaan Pertambangan di Bursa Efek Indonesia. Penelitian ini adalah penelitian kuantitatif dengan populasi penelitian seluruh perusahaan Pertambangan yang terdaftar di Bursa Efek Indonesia pada periode 2015-2017. Pengambilan sampel dilakukan dengan cara *simple random sampling*. Metode analisis data yang digunakan dalam penelitian ini adalah analisis regresi linier berganda. Berdasarkan hasil penelitian dan pembahasan diperoleh kesimpulan bahwa secara parsial *Dividend Per Share* (DPS) tidak berpengaruh, *Earning Per Share* (EPS) berpengaruh, *Leverage* berpengaruh terhadap harga saham.

Kata kunci : *Dividend Per Share* (DPS), *Earning Per Share* (EPS), *Leverage*, dan Harga saham.

ABSTRACT

This study aims to prove empirically that (1) Dividend Per Share (DPS) has no effect, Earning Per Share (EPS) has an effect, and Leverage has a partial effect on stock prices in Mining companies on the Indonesia Stock Exchange, and (2) Per Share Dividend (DPS), Earning Per Share (EPS), and Leverage have a simultaneous effect on stock prices in mining companies on the Indonesia Stock Exchange. This research is quantitative research with a research population of all mining companies listed on the Indonesia Stock Exchange in the period 2015-2017. Sampling is done by simple random sampling. The data analysis method used in this study is multiple linear regression analysis. Based on the results of the research and discussion, it was concluded that partially the Dividend Per Share (DPS) had no effect, Earning Per Share (EPS) had an effect, Leverage had an affect the stock price.

Keywords: *Dividend Per Share (DPS), Earning Per Share (EPS), Leverage, and stock price.*
