

ABSTRAK

Skripsi ini membahas tentang implementasi kerjasama *Forest Law Enforcement, Governance and Trade (FLEGT)* antara Indonesia dan Uni Eropa dalam menangani *illegal logging* di Indonesia. Indonesia menandatangani kerjasama ini pada tanggal 30 September 2013. *FLEGT* adalah perjanjian bilateral antara Uni Eropa dengan negara-negara pengeksport kayu untuk meningkatkan tata kelola sektor kehutanan serta memastikan bahwa produk kayu yang dieksport ke Uni Eropa diproduksi sesuai dengan peraturan negara mitra. *FLEGT* bertujuan untuk membantu negara produsen kayu dalam meningkatkan tata kelola dan kemampuan memberantas *illegal logging* serta mencegah konsumsi kayu ilegal masuk ke pasar Uni Eropa.

Skripsi ini bertujuan untuk mengetahui bagaimana implementasi kerjasama *FLEGT* dalam menangani *illegal logging* di Indonesia sejak tahun 2013. Metode penelitian yang digunakan penulis adalah metode penelitian deskriptif analisis.

Kata Kunci: *FLEGT (Forest Law, Enforcement, Governance and Trade)*, Uni Eropa, Indonesia, *Illegal Logging*.

**THE IMPLEMENTATION OF EUROPEAN UNION FOREST LAW
ENFORCEMENT, GOVERNANCE AND TRADE (FLEGT) PARTNERSHIP
IN COMBATING ILLEGAL LOGGING IN INDONESIA**

ABSTRACT

This thesis discussed about the implementation of the Forest Law Enforcement, Governance and Trade (FLEGT) partnership between Indonesia and European Union in regards to handling of Indonesia's illegal logging. Indonesia signed the partnership on the 30th of September 2013. FLEGT is a bilateral partnership between European Union and the countries that exporting timber to increase the governance of the forestry sector as well to make sure that the timber products that being exported to European Union produced according to the regulation of the partner countries. FLEGT aimed to help the timber producer countries to increase the governance and capability to combat illegal logging as well to prevent the consumption of the illegal timber that enter the European Union market.
