DAFTAR ISI

KATA PENGANTAR.......................................................................................................................... vi
DAFTAR ISI................................................................................................................................... ix

BAB I: PENDAHULUAN.................................................................................................................. 1
  A. Latar Belakang ......................................................................................................................... 1
  B. Rumusan Masalah .................................................................................................................. 6
  C. Tujuan Penelitian .................................................................................................................. 7
  D. Manfaat Penelitian ............................................................................................................... 8

BAB II: TINJAUAN PUSTAKA ...................................................................................................... 9
  A. Landasan Teori ....................................................................................................................... 9
  B. Penelitian Terdahulu .......................................................................................................... 29
  C. Hubungan Antar Variabel .................................................................................................... 31
  D. Kerangka Pemikiran ............................................................................................................ 37
  E. Hipotesis ............................................................................................................................. 38

BAB III: METODE PENELITIAN.............................................................................................. 39
  A. Rancangan Penelitian .......................................................................................................... 39
  B. Populasi dan Sampel Penelitian .......................................................................................... 39
  C. Jenis Data dan Metode Pengumpulan Penelitian ............................................................... 40
  D. Variabel Penelitian ............................................................................................................. 41
  E. Definisi Operasional Variabel ............................................................................................. 43
  F. Metode Analisis Data ........................................................................................................ 50
  G. Uji Instrumen ...................................................................................................................... 51
  H. Metode Pengolahan Data .................................................................................................... 55
  I. Teknik Analisis Data ........................................................................................................... 56

BAB IV: HASIL PENELITIAN DAN PEMBAHASAN ........................................................... 66
  A. Analisis Deskriptif ............................................................................................................... 66
B. Analisis Kuantitatif ..............................................................................70
C. Pembahasan.............................................................................................78

BAB V: KESIMPULAN DAN SARAN.................................................................86
A. Kesimpulan...............................................................................................86
B. Saran.........................................................................................................87
