DAFTAR GAMBAR .............................................................................................. xi
ABSTRAK ............................................................................................................ xiii
ABSTRACT ......................................................................................................... xiv

BAB I PENDAHULUAN .........................................................................................1
  1.1 Latar Belakang ........................................................................................... 1
  1.2 Rumusan Masalah ...................................................................................... 8
  1.3 Tujuan Penelitian ....................................................................................... 8
  1.4 Manfaat Penelitian ..................................................................................... 9
  1.5 Kerangka Teori dan Konsep ..................................................................... 9
    1.5.1 Teori Perencanaan Komunikasi ......................................................... 9
    1.5.2 Corporate Social Responsibility ....................................................... 12
    1.5.3 Community Development ............................................................... 16

BAB II TINJAUAN PUSTAKA ............................................................................. 20
  2.1 Pengertian Strategi ................................................................................... 20
  2.2 Corporate Social Responsibility ............................................................. 23
    2.2.1 Fungsi dan Manfaat CSR ................................................................. 24
2.2.2 Strategi CSR .................................................................26
2.3 Community Development ..................................................31
2.3.1 Proses Community Development .......................................34
2.3.2 Ruang Lingkup Community Development ............................35
2.4 Balai Ekonomi Desa ..........................................................36
2.5 Penelitian Terdahulu ..........................................................38

BAB III METODE PENELITIAN ..............................................42
3.1 Jenis Penelitian ..................................................................42
3.2 Objek Penelitian ..................................................................44
3.3 Lokasi Penelitian ..................................................................44
3.4 Sumber Data .........................................................................45
3.5 Teknik Pengumpulan Data ......................................................46
3.5.1 Wawancara .......................................................................46
3.5.2 Analisis Dokumen dan Data .................................................46
3.5.3 Observasi ..........................................................................47
3.5.4 Studi Pustaka .....................................................................47
3.5.5 Dokumen dan Data .............................................................48
3.6 Teknik Analisis Data ..............................................................48
3.6.1 Reduksi Data .....................................................................48
3.6.2 Penyajian Data ....................................................................49
3.6.3 Penarikan Kesimpulan dan Verifikasi .................................49
3.7 Uji Keabsahan Data ...............................................................50

BAB IV HASIL PENELITIAN DAN PEMBAHASAN ..................53
4.1 Deskripsi Objek Penelitian ....................................................53
4.1.1 Profil PT Angkasa Pura I Persero Bandara Internasional Adisutjipto Yogyakarta ..............................................................53
4.1.1.1 Visi dan Misi PT Angkasa Pura I (Persero) .................................56
4.1.1.2 Nilai PT Angkasa Pura I (Persero) ........................................56
4.1.1.3 Logo Perusahaan PT Angkasa Pura I (Persero) ........................57
4.1.1.4 Lokasi Kantor PT Angkasa Pura I (Persero) Bandara Internasional
       Adisutjipto Yogyakarta ................................................................59
4.1.1.5 Prestasi PT Angkasa Pura I (Persero) Bandara Internasional Adisutjipto
       Yogyakarta ..................................................................................59

4.1.2 Corporate Social Responsibility Section ..................................60
4.1.2.1 Struktur Organisasi ...............................................................60
4.1.2.2 Tugas CSR Department PT Angkasa Pura I (Persero) ..........61
4.1.2.3 Program CSR PT Angkasa Pura I (Persero) Bandara Internasional
       Adisutjipto Yogyakarta .................................................................62
4.1.3 Profil Balai Ekonomi Desa .....................................................63
4.2 Hasil Penelitian ...........................................................................64
4.2.1 Strategi CSR PT Angkasa Pura I (Persero) dalam Program Balkondes
       Bigaran .......................................................................................68
4.2.2 Implementasi CSR PT Angkasa Pura I (Persero) dalam Program Balkondes
       Bigaran .......................................................................................73
4.2.2.1 Pengembangan Desa Sekitar Balkondes Bigaran ..................74
4.2.2.2 Struktur Pengelolaan Balkondes Bigaran .............................76
4.2.2.3 Tahap Perencanaan CSR Balkondes Bigaran ......................79
4.2.2.4 Tahap Pelaksanaan CSR Balkondes Bigaran .....................81
4.2.2.5 Tahap Evaluasi CSR Balkondes Bigaran .............................89
4.3 Pembahasan ..............................................................................92

BAB V PENUTUP ...........................................................................103
5.1 Kesimpulan ..............................................................................103
5.2 Saran .......................................................................................104
