HALAMAN JUDUL ........................................................................................................... i
LEMBAR PENGESAHAN ............................................................................................... ii
BERITA ACARA UJIAN SKRIPSI .................................................................................... iii
SURAT PERNYATAAN KEBENARAN NILAI ................................................................. iv
SURAT PERNYATAAN KEASLIAN SKRIPSI ................................................................. v
ABSTRAK ....................................................................................................................... vi
MOTTO ............................................................................................................................ vii
KATA PENGANTAR ....................................................................................................... viii
DAFTAR ISI ..................................................................................................................... ix
DAFTAR TABEL .............................................................................................................. xv
DAFTAR GAMBAR ........................................................................................................ xvi
DAFTAR LAMPIRAN ....................................................................................................... xvii

BAB I PENDAHULUAN ................................................................................................. 1

1.1 Latar Belakang Masalah ...................................................................................... 1
1.2 Rumusan Masalah ............................................................................................... 9
1.3 Tujuan Penelitian ............................................................................................... 9
1.4 Manfaat Penelitian ............................................................................................ 10
1.5 Sistematika Penulisan ....................................................................................... 10

BAB II TINJAUAN PUSTAKA ..................................................................................... 12

2.1 Tinjauan Teori ..................................................................................................... 12
2.1.1 Teori Agensi .................................................................................................. 13
2.1.2 Penghindaran Pajak .................................................................................... 14
2.1.3 Thin Capitalization ....................................................................................... 17
2.1.4 Pemanfaatan Tax Haven ............................................................................. 22
2.1.5 Multinationality .......................................................................................... 25
2.1.6 Corporate Governance ............................................................................... 26
2.1.6.1 Kepemilikan Institusional ..................................................................... 28
2.1.6.2 Dewan Komisaris Independen ............................................................... 30
2.1.6.3 Komite Audit ........................................................................................ 31
2.1.6.4 Kualitas Audit ................................................................. 32
2.2 Tinjauan Penelitian Terdahulu..................................................... 33
2.3 Kerangka Pemikiran ................................................................. 35
2.4 Hipotesis Penelitian ................................................................. 36
  2.4.1 Pengaruh *Thin Capitalization* terhadap Praktik Penghindaran Pajak ..... 36
  2.4.2 Pengaruh Pemanfaatan *Tax Haven* terhadap Praktik Penghindaran Pajak ...
  ........................................................................................................... 37
  2.4.3 Pengaruh *Multinationality* terhadap Praktik Penghindaran Pajak ...
  ........................................................................................................... 39
  2.4.4 Pengaruh Kepemilikan Institusional terhadap Praktik Penghindaran Pajak ...
  ........................................................................................................... 40
  2.4.5 Pengaruh Dewan Komisaris Independen terhadap Praktik Penghindaran Pajak ...
  ........................................................................................................... 41
  2.4.6 Pengaruh Komite Audit terhadap Praktik Penghindaran Pajak .... 42
  2.4.7 Pengaruh Kualitas Audit terhadap Praktik Penghindaran Pajak ..... 43

BAB III METODE PENELITIAN............................................................. 45
  3.1 Rancangan Penelitian..................................................................... 45
  3.2 Populasi dan Sampel..................................................................... 45
  3.3 Variabel Penelitian........................................................................ 47
    3.3.1 Klasifikasi Variabel ................................................................. 47
    3.3.2 Definisi Operasi Variabel ........................................................ 47
      3.3.2.1 Variabel Dependen ............................................................ 47
        3.3.2.1.1 Penghindaran Pajak.................................................. 48
      3.3.2.2 Variabel Independen ........................................................ 48
        3.3.2.2.1 *Thin Capitalization* ................................................... 49
        3.3.2.2.2 Pemanfaatan *Tax Haven* .......................................... 51
        3.3.2.2.3 *Multinationality* ....................................................... 52
        3.3.2.2.4 Kepemilikan Institusional ........................................... 53
        3.3.2.2.5 Dewan Komisaris Independen .................................... 54
        3.3.2.2.6 Komite Audit............................................................... 55
        3.3.2.2.7 Kualitas Audit ............................................................ 56
3.4 Prosedur Pengambilan Data .................................................. 57
3.5 Metode dan Teknik Analisis Data ........................................... 58
  3.5.1 Statistik Deskriptif .......................................................... 60
  3.5.2 Uji Asumsi Klasik .......................................................... 60
     3.5.2.1 Uji Normalitas ........................................................ 61
     3.5.2.2 Uji Multikolinearitas .............................................. 61
     3.5.2.3 Uji Autokorelasi ..................................................... 62
  3.5.2.4 Uji Heterokedastisitas ................................................ 64
  3.5.3 Pengujian Hipotesis .......................................................... 64
     3.5.3.1 Analisis Goodness of Fit Model .................................. 64
     3.5.3.2 Uji Koefisien Determinasi ($R^2$) ............................... 65
     3.5.3.3 Uji Signifikansi Simultan (Uji Statistik F) ..................... 65
     3.5.3.4 Uji Signifikansi Parameter Individual (Uji Statistik t) ....... 66

BAB IV ANALISIS HASIL PENELITIAN DAN PEMBAHASAN ............... 67
  4.1 Data Penelitian ...................................................................... 67
  4.2 Analisis dan Hasil Penelitian ............................................... 68
     4.2.1 Analisis Deskriptif ....................................................... 68
  4.3 Pengujian Asumsi Klasik ...................................................... 70
     4.3.1 Uji Normalitas .............................................................. 70
     4.3.2 Uji Multikolinieritas ..................................................... 71
     4.3.3 Uji Autokorelasi .......................................................... 73
     4.3.4 Uji Heterokedastisitas ................................................... 74
  4.4 Hasil Analisis Regresi Linier Berganda ................................. 76
  4.5 Pengujian Hipotesis ............................................................... 79
     4.5.1 Analisis Goodness of Fit ............................................... 79
        4.5.1.1 Uji Koefisien Determinasi ($R^2$) .............................. 79
        4.5.1.2 Uji Signifikansi Simultan (Uji Statistik F) ................. 80
        4.5.1.3 Uji Analisis Parsial (Uji Statistik t) .......................... 81
  4.6 Pembahasan .......................................................................... 83

BAB V KESIMPULAN DAN SARAN .................................................. 91
  5.1 Kesimpulan ........................................................................... 91
5.2 Keterbatasan Penelitian ................................................................. 91
5.3 Saran .......................................................................................... 92
DAFTAR PUSTAKA ........................................................................... 95
