BEALL'S LIST OF POTENTIAL PREDATORY JOURNALS AND PUBLISHERS

[PUBLISHERS](#) · [STANDALONE JOURNALS](#) · [VANITY PRESS](#) · [CONTACT](#) · [OTHER](#)

European Journal of Applied Sciences

Potential predatory scholarly open-access journals

Instructions: simply enter the journal's name or its URL in the search box above. If the journal has a publisher that was assessed to be predatory, then it is included on the [Publishers list](#).

Original list

[GO TO UPDATE](#)

This is an archived version of the Beall's list – a list of potential predatory journals created by a librarian [Jeffrey Beall](#). We will only update links and add notes to this list.

Last updated January 9, 2017

Update

Here we include journals that were not originally on the Beall's list, but may be predatory.

Last updated February 5, 2021

Original description

This is a list of questionable, scholarly open-access standalone journals. For journals published by a publisher, please look for the publisher on the list of publishers, [here](#). This list is only for single, standalone journals. We recommend that scholars read the available reviews, assessments and descriptions provided here, and then decide for themselves whether they want to submit articles, serve as editors or

Services for Science and Education United Kingdom

Potential predatory scholarly open-access publishers

Instructions: first, find the journal's publisher – it is usually written at the bottom of the journal's webpage or in the "About" section. Then simply enter the publisher's name or its URL in the search box above. If the journal does not have a publisher use the [Standalone Journals list](#).

All journals published by a predatory publisher are potentially predatory unless stated otherwise.
