BAB I PENDAHULUAN .................................................................................................... 1
1.1 Latar Belakang Masalah ............................................................................................ 1
1.2 Rumusan Masalah ..................................................................................................... 6
1.3 Tujuan Penelitian ...................................................................................................... 7
1.4 Batasan Penelitian ..................................................................................................... 7
1.5 Manfaat Penelitian .................................................................................................... 7
1.6 Sistematika Pembahasan .......................................................................................... 8

xiv
BAB II  TINJAUAN PUSTAKA ................................................................. 10
  2.1 Tinjauan Teori ............................................................................. 10
  4.1.1 Pengertian Kinerja ................................................................. 10
  2.1.2 Pengukuran Kinerja ................................................................. 10
  2.1.3 Tujuan dan Manfaat Pengukuran Kinerja................................. 12
  2.1.4 Pengukuran Kinerja dalam Organisasi Rumah Sakit .............. 14
  2.1.5 Balanced Scorecard ................................................................. 16
    2.1.5.1 Definisi Balanced Scorecard ............................................ 16
    2.1.5.2 Karakteristik Balanced Scorecard .................................... 17
    2.1.5.3 Komponen-komponen Balanced Scorecard ....................... 20
    2.1.5.4 Keunggulan Balanced Scorecard ..................................... 28
  2.1.6 Rumah Sakit ............................................................................. 29
  2.2 Tinjauan Penelitian Terdahulu .................................................. 31
  2.3 Kerangka Konseptual ................................................................. 34

BAB III  METODE PENELITIAN .............................................................. 36
  3.1 Rancangan Penelitian .................................................................. 36
  3.2 Populasi dan Sampel ................................................................. 36
  3.3 Variabel Penelitian dan Definisi Operasional ............................... 38
  3.4 Lokasi dan Waktu Penelitian ..................................................... 45
  3.5 Prosedur Pengambilan Data ....................................................... 46
    3.5.1 Jenis dan Sumber Data ...................................................... 46
    3.5.2 Teknik Pengumpulan Data ................................................ 57
  3.6 Model dan Teknik Analisis Data ................................................ 50
