ABSTRACT

This research aims to determine jointly and partially the influence of brand image, influencer marketing, and electronic word of mouth variables on purchasing decisions for Avoskin skincare products in Sleman, Yogyakarta. This research was conducted by distributing a Google Form to consumers of Avoskin skincare products who live in Sleman, Yogyakarta. Sample selection used a purposive sampling technique from specified criteria of 110 respondents. The analytical tool used is SPSS 25. The results of this research show that together the variables of brand image, influencer marketing, and electronic word of mouth have a positive influence on purchasing decisions for Avoskin skincare products in Sleman. Partially, the variables of brand image, influencer marketing, and electronic word of mouth have a positive influence on purchasing decisions for Avoskin skincare products in Sleman.

Keyword: Brand Image, Influencer marketing, Electronic Word of Mouth (e-WoM)
