| <b>A. Result.....</b>   | <b>27</b> |
| 1. Mortality Percentage of Nymph.....                               | 27        |
| 2. Mortality Percentage of Imago .....                              | 29        |
| 3. Mortality Time of Nymph.....                                     | 31        |
| 4. Mortality Time of Imago .....                                    | 31        |
| 5. Lethal Time 50 of Nymph.....                                     | 32        |
| 6. Lethal Time 50 of Imago .....                                    | 33        |
| 7. Lethal Concentration 95 of Nymph .....                           | 33        |
| 8. Lethal Concentration 95 of Imago.....                            | 34        |
| 9. Percentage of Nymph that Turn into Imago.....                    | 35        |
| 10. Time for Nymph to Turn into Imago .....                         | 36        |
| 11. Effectiveness <i>L. lecanii</i> on Nymph .....                  | 37        |

|   |           |
