(4) Tipe partisipasi masyarakat dalam kegiatan di Kampung Wisata Rejowinangun adalah tipe partisipasi pasif/manipulatif, tipe partisipasi informatif, tipe partisipasi konsultatif, tipe partisipasi insentif, tipe partisipasi fungsional, tipe partisipasi interaktif, dan tipe partisipasi *self-mobilization*.

Kata kunci: Masyarakat, *Stakeholder*, Partisipasi, Kampung Wisata Rejowinangun

VALENTINA PRAWESTRI NINDA UTAMA, 2025. *Community Participation in the Activities of Cluster-Based Rejowinangun Tourism Village, Rejowinangun Subdistrict, Yogyakarta. Under the direction of Eko Murdiyanto.*

ABSTRACT

This study aims to (1) examine the activities in Rejowinangun Tourism Village based on clusters in Rejowinangun sub-district of Yogyakarta, (2) analyze the role of stakeholders in community activities in the Rejowinangun Tourism Village, (3) identify the forms of participation in community activities in Rejowinangun Tourism Village based on clusters in the Rejowinangun sub-district of Yogyakarta, and (4) identify the types of community participation in activities in Rejowinangun Tourism Village based on clusters in the Rejowinangun sub-district of Yogyakarta. This study employs a qualitative research approach with field research methods. The data used are source triangulation. Data analysis techniques include data collection, data reduction, data presentation, and conclusion drawing. The results indicate that (1) Rejowinangun Tourism Village has activities in cultural clusters, agro clusters, craft clusters, herbal clusters, and culinary clusters in accordance with the area's potential. (2) Various stakeholders, such as the Rejowinangun sub-district, Kotagede district, the Yogyakarta City Cultural Office, the Yogyakarta City Agriculture and Food Security Office, the Yogyakarta City Industry and Trade Office, and the Yogyakarta City Tourism Office, provide support through training, mentoring, and active participation in the activities of the Rejowinangun Tourism Village. (3) The community participates through labor, ideas, materials, and skills in the activities of the Rejowinangun Tourism Village, with the Rejowinangun community being most active in terms of labor and expertise. (4) The types of community participation in activities in the Rejowinangun Tourism Village include passive/manipulative participation, informative participation, consultative participation, incentive participation, functional participation, interactive participation, and self-mobilization participation.
