ABSTRAK ........................................................................ vii
DAFTAR ISI ................................................................. viii
DAFTAR TABEL .................................................................... x
DAFTAR LAMPIRAN ........................................................... xi

BAB I PENDAHULUAN ....................................................... 1
  1.1. Latar Belakang Masalah ......................................................... 1
  1.2. Rumusan Masalah ............................................................... 4
  1.3. Tujuan Penelitian ............................................................... 4
  1.4. Manfaat Penelitian ............................................................. 5
  1.5. Sistematika Penulisan .......................................................... 5

BAB II TINJAUAN PUSTAKA ............................................... 7
  2.1. Landasan Teori dan Pengembangan Hipotesis ................. 7
      2.1.1. Teori Corporate Governance ..................................... 7
      2.1.2. Kepemilikan Manajemen .......................................... 9
      2.1.3. Kepemilikan Institusi Domestik .............................. 10
      2.1.4. Kepemilikan Institusi Asing .................................... 10
      2.1.5. Kepemilikan Publik ............................................... 11
      2.1.6. Leverage .............................................................. 11
      2.1.7. Ukuran Perusahaan ............................................... 12
      2.1.8. Profitabilitas ........................................................ 13
      2.1.9. Manajemen Risiko ................................................... 14
      2.1.10. Risk Management Disclosure ................................. 15
  2.2. Tinjauan Penelitian Terdahulu ......................................... 16
  2.3. Kerangka Konseptual ...................................................... 17
  2.4. Hipotesis Penelitian ........................................................ 18
BAB III METODE PENELITIAN .............................................. 20
3.1. Populasi dan Sampel ..................................................... 20
3.2. Data yang Diperlukan .................................................. 20
3.3. Pengukuran Variabel .................................................... 21
3.4. Metode dan Analisis Data ............................................. 23
   3.4.1. Uji Asumsi Klasik .................................................. 24
3.5. Pengujuan Hipotesis ..................................................... 26
   3.5.1. Uji Regresi Simultan (Uji F) ................................... 26
   3.5.2. Uji Regresi Parsial (Uji t) ....................................... 27
   3.5.3. Uji Determinasi (R²) .............................................. 28

BAB IV HASIL DATA DAN PEMBAHASAN .............................. 29
4.1. Analisis Deskriptif ......................................................... 30
4.2. Uji Asumsi Klasik ......................................................... 33
   4.2.1. Uji Normalitas ....................................................... 33
   4.2.2. Uji Multikolinieritas ................................................ 35
   4.2.3. Uji Heteroskedastisitas .......................................... 36
   4.2.4. Uji Autokorelasi ..................................................... 38
4.3. Analisis Regresi Linier .................................................. 39
4.4. Pengujuan Hipotesis ..................................................... 42
   4.4.1. Uji F .................................................................. 42
   4.4.2. Uji t .................................................................. 43
4.5. Pembahasan Hasil Penelitian .......................................... 46

BAB V KESIMPULAN DAN SARAN ......................................... 51
5.1. Kesimpulan ................................................................. 51
5.2. Keterbatasan Penelitian ................................................. 52
5.3. Saran ........................................................................... 53
