

Approval Sheet

Research Title : Effectiveness of the Application of Botanical Insecticides
from Clove Flower Powder and Lime Leaves Powder in
Controlling Rice Weevil Pest (*Sitophilus oryzae* L.) in
Stored Rice
Student Name : Amanda Paul Esterina Dewi Anggraini
Student Number : 134210114
Study program : Agrotechnology

Acknowledged by

Head of the Department of Agrotechnology
Faculty of Agriculture
Universitas Pembangunan Nasional "Veteran" Yogyakarta
