DAFTAR GAMBAR .................................................................................... xiv
DAFTAR LAMPIRAN .................................................................................. xv

BAB I : PENDAHULUAN

A. Latar Belakang Masalah ............................................................ 1
B. Rumusan Masalah ...................................................................... 5
C. Tujuan Penelitian ................................................................. 7
D. Manfaat Penelitian ................................................................. 8

BAB II : TINJAUAN PUSTAKA

A. Landasan Teori ................................................................. 9
   1. Keselamatan dan Kesehatan Kerja .............................. 8
   2. Penyakit Akibat Kerja ................................................. 15
   3. Kepuasan Kerja ............................................................. 18
BAB III : METODE PENELITIAN

A. Metode Penelitian .......................................................... 34
B. Jenis Data ........................................................................ 35
   1. Data Primer ................................................................. 35
   2. Data Sekunder ............................................................. 35
C. Metode Pengumpulan Data ............................................. 36
   1. Kuesioner ................................................................. 36
   2. Wawancara ................................................................. 37
D. Klasifikasi Variabel Penelitian ........................................ 37
E. Definisi Operasional Variabel ......................................... 38
   1. Pengukuran Variabel .................................................. 38
   2. Operasional Variabel .................................................. 40
F. Uji Instrumen ................................................................. 45
   1. Uji Validitas .............................................................. 45
   2. Uji Reliabilitas ........................................................... 45
G. Teknik Analisis Data ....................................................... 46
H. Uji Hipotesis ................................................................. 51

BAB IV : ANALISIS DATA DAN PEMBAHASAN

A. Analisis Deskriptif .......................................................... 53
   1. Karakteristik Responden ............................................. 53
DAFTAR TABEL

<p>| 1.1 Kecelakaan Kerja Karyawan Bagian Produksi                          | 2  |
| 2.1 Penelitian Terdahulu                                               | 29 |
| 4.1 Responden Berdasarkan Jenis Kelamin                                 | 54 |
| 4.2 Tingkat Usia Responden                                              | 54 |
| 4.3 Responden Berdasarkan Tingkat Pendidikan                            | 55 |
| 4.4 Responden Berdasarkan Status Pernikahan                             | 56 |
| 4.5 Deskriptif Variabel K3                                               | 57 |
| 4.6 Penilaian Responden Terhadap Kepuasan Kerja                         | 58 |
| 4.7 Penilaian Responden Terhadap Variabel KInerja                       | 59 |
| 4.8 Hasil Model Regresi Kepuasan Kerja                                 | 63 |
| 4.9 Hasil Model Regresi Kinerja                                        | 64 |
| 4.10 Pengaruh Langsung dan Tidak Langsung                               | 69 |</p>
