ABSTRAK ............................................................. iv
ABSTRACT ............................................................... v
PERNYATAAN ................................................................... vi
RIWAYAT HIDUP ............................................................ vii
KATA PENGANTAR ............................................................ viii
DAFTAR ISI ............................................................. ix
DAFTAR TABEL ............................................................. x
TAR LAMPIRAN ............................................................. xi

BAB I. PENDAHULUAN
A. Latar Belakang ............................................................
B. Identifikasi Masalah .................................................... 2
C. Tujuan Penelitian ......................................................... 3
D. Kegunaan Penelitian ..................................................... 4

BAB II. TINJAUAN PUSTAKA
A. Penelitian Terdahulu ................................................... 7
B. Landasan Teori ............................................................
1. Partisipasi ............................................................... 10
2. Tahapan Partisipasi ..................................................... 13
3. Faktor-faktor yang Mempengaruhi
   Partisipasi Masyarakat ................................................ 16
4. Pengertian Kelompok .................................................. 21
5. Usaha Budidaya Kambing Peranakan Etawa (PE) .......... 22
6. Program Desa Mandiri Pangan ...................................... 24
C. Kerangka Pemikiran ..................................................... 29

D. Hipotesis ................................................................. 30

BAB III. METODE PENELITIAN
A. Metode Pelaksanaan Penelitian ..................................... 31
B. Metode Pengambilan Sampel .......................................... 32
1. Lokasi Penelitian ....................................................... 32
2. Metode Pemilihan Sampel Kelompok .......................... 32
3. Metode Pengambilan Sampel Responden ...................... 33

C. Metode Pengambilan Data .............................................. 33
   1. Macam Data .......................................................... 33
   2. Metode Pengumpulan Data ....................................... 33
   3. Sumber Data ......................................................... 34

D. Uji Instrumen Pengumpulan Data ................................. 35
   1. Uji Validitas .......................................................... 35
   2. Uji Reliabilitas ........................................................ 37

E. Metode Analisis dan Pengujian Hipotesis ....................... 38
   1. Tingkat Partisipasi Anggota Kelompok Afinitas ............ 38
   2. Faktor-faktor yang Mempengaruhi Partisipasi Anggota Kelompok Afinitas ................................. 39

F. Definisi Oprasional dan Pengukuran Variabel .................. 43

BAB IV. KEADAAN UMUM DAERAH ..................................... 48

BAB V. HASIL PENELITIAN DAN PENGUJIAN HIPOTESIS ....... 51
   A. Karakteristik Anggota Kelompok Afinitas .................... 52
      1. Jenis Kelamin .......................................................... 52
      2. Jumlah Ternak Kambing ......................................... 52
      3. Pekerjaan Pokok .................................................... 53
      4. Pekerjaan Sampingan .............................................. 54
      5. Kepemilikan Lahan .................................................. 54
   B. Analisis Tingkat Partisipasi Anggota Kelompok Afinitas .................................................. 55
   C. Analisis Faktor-faktor Yang Mempengaruhi Partisipasi Anggota Kelompok Afinitas ................. 57
      1. Umur ................................................................. 57
      2. Pendidikan ............................................................ 58
      3. Pengalaman Usaha .................................................. 59
      4. Penerimaan ........................................................... 60
      5. Kepemimpinan ....................................................... 60
      6. Peran Pendamping ................................................... 62
   D. Analisis Regresi Berganda ......................................... 63
   E. Pengujian Hipotesis ................................................... 66

BAB VI. PEMBAHASAN ....................................................... 72

BAB VII. KESIMPULAN DAN SARAN ................................. 81
   A. Kesimpulan ............................................................ 81
   B. Saran ................................................................. 82
