Title : The Implementation Failure of Negotiation Result Between Indonesian Government with Petroleum Authority of Thailand Exploration and Production Australasia (PTTEP AA) on 2012.

---

### **ABSTRACT**

This research is purposed to explaining the implementation failure of negotiation result between Indonesian government with Petroleum Authority of Thailand Exploration and Production Australasia (PTTEP AA) on 2012. Implementation of negotiations result is a final stage from negotiation process between Indonesian government and PTTEP AA relating Timor Sea's contamination that caused from the leakage of H1 Montara oil well. Indemnity payment is major purpose from this implementation of negotiation result. In fact, this implementation cannot realized dan tend to facing failure. This failure implementation of negotiation result is caused by two factors that are information gathering and the different of basic law utilization.

Keywords: Implementation Failure, Indonesian Government, PTTEP AA, Montara
