

ABSTRACT

Internal conflict that is going on in Syria, is the culmination of public resentment against the government of Syria Bashar al-Assad's authoritarian assessed against the Syrian people. The conflict in Syria because the Syrian government continues today to accommodate the demands of the people do not want to retreat and eventually forming an anti-government militia that military clash between the pro-government and anti-government parties are common and cause thousands of deaths.

Due to increasingly fierce and the increasing number of casualties and because they want to prevent this conflict pervasive destabilizing world peace and therefore the United Nations to intervene to interfere with the internal conflict issues that occur in Syria. In this case the UN was responsible for keeping the peace of the world by trying to put an end to the internal conflict in Syria.

UN efforts for the resolution of internal conflicts syria from 2011 to 2013 is to use the conflict resolution process based on the process of peace-keeping,

peacemaking, and peace building. With the third runway UN efforts to curb and menyelesaikan internal conflict occurring in Syria.
