ABSTRACT

This thesis discusses about the ASEAN's support in enforcing the norms of democracy in Myanmar based on ASEAN Charter. ASEAN Charter as foundation to ASEAN for support enforcement the norms of democracy in Myanmar, ASEAN's support for Myanmar was done through *constructive engagement* and *ASEAN Inter-Parliamentary Myanmar Caucus* may slightly contribute to Myanmar to adopt a more democratic government. Democratic governance is one of the purposes of ASEAN as forming the identity of ASEAN. ASEAN Way is an identity of its own that the ASEAN identity, the norms of democracy becomes very important. Identity is closely related to a country's national policy. The concept of national interest can be understood as part of a regional identity, in addition, it can effectively create trust ASEAN members to maintain or reinforce its identity. ASEAN Way is an identity of ASEAN, because ASEAN Way serve as a normative perspective on the values of the uniform that aims to create order relations between ASEAN countries by promoting individual freedom.
